

Thursday, June 15 2023, 10:30am  
Virtual Meeting (Zoom)

*Meeting Chair: Rasheedah Haynes*

*Co-Chair: Jasmine Moore*

*Meeting Scribe: Kathleen Shiomos*

## 1. Call to Order

Jasmine Moore, Community Outreach Representative, called the meeting to order at 10:30am.

## 2. Welcome and Introductions

Jasmine welcomed the group to the second quarter Participant Advisory Committee (PAC) meeting for the Southeast zone and introduced new Community Outreach Representative Leigh Ann Wiedlich. The virtual meeting level set including a reminder not to share Personal Health Information (PHI) during the meetings was completed. The group was reminded the members that they can contact Nicole, Jasmine, Ally and Leigh Ann with any personal service-related questions, and they will help to connect them to their Service Coordinator.

Rasheedah Haynes, Service Coordination Manager welcomed the group and reviewed the agenda and presenters.

## 3. CHC Programs & Updates/ How & Where to Get Care

Dr. Erica David Park, Chief Medical Officer for Keystone First Community HealthChoices (KF CHC) introduced herself to the PAC members and educated the audience on the differences between Emergency Room visits, Urgent Care visits, and Primary Care visits.

- In case of an emergency, call 911. Situations include, but are not limited to chest pain, drug overdose, breathing issues, loss of speech, etc.
- If you're not sure if the situation is an emergency, call your doctor, dentist, or our ACP CHC's 24/7 nurse care line at 1-844-214-2472
- If you need care immediately, but it's not an emergency, call you doctor or 24/7 nurse line for problems like coughing, vomiting, sore throat, etc, and get care quickly (within 24 hours).
- For non-emergent and non-urgent needs, call doctor or 24/7 nurse line for problems like fever, sprain, earache and get care by your Primary Care Physician (PCP) soon.

**Action items: N/A**

## 4. CHC Programs & Updates/ Senior Law Center Partnership

Jennifer Ford-Bey, Collaborative Services Manager presented program information for a new service for CHC Participants who are over the age of 60. The goal of the program is to increase access to legal services with housing insecurities and improving ability for Participants to live more stably in the community with the help of legal services. The program partnership includes a dedicated staff to address KF CHC Participant's needs.

To qualify, Participants must be:

- Enrolled in PA *Community HealthChoices* – with AmeriHealth Caritas OR Keystone First CHC.
- Over the age of 60 years old (born in the year 1963 or earlier)
- Nursing Facility Clinically Eligible (NFCE) or Nursing Facility Ineligible (NFI)
- Current resident of the Commonwealth of Pennsylvania, and either a renter or homeowner

Program services include:

- Education: understanding tenant-landlord rights, lease/mortgage obligations, notices, etc.
- Limited representation: representing client with third parties, in relation to their housing matter (i.e., landlord, housing agency, etc.)
- Advocacy: improve poor conditions, increase access seek relief from agency on taxes, utilities, etc.
- Referrals: to appropriate legal agencies (in-person representation) or other resources

PAC Member asked, if someone has already contacted Senior Law Center and they were unable to help, if circumstances changed can they re-apply at Senior Law Center? Jennifer confirmed, yes, you are able to contact Senior Law Center again for them to review your information and discuss new changes to circumstances.

**Action items: N/A**

## 5. CHC Programs & Updates/ Health Equity Program Evaluation

Anne Dodd, Health Equity & Quality Analyst presented the Health Equity Program Evaluation.

Health Equity works to ensure that everyone has a fair and just opportunity to be as healthy as possible.

Culturally and Linguistically Appropriate Services (CLAS)

- Works to improve quality of services to help reduce health disparities and advance health equity
- There are 15 enhanced CLAS standards that have been established by DHS
- Demand services that are respectful and responsive to cultural health beliefs and practices

Race, Ethnicity, and Language (REL) Data

- The Health Plan collects self-reported REL data for our participants

2022 Goals

- Increase HEDIS compliance for African Americans for access to preventative/ambulatory health services and Controlling Blood Pressure HEDIS Measures
- Improve self-reported data collection and improve Opportunities

PAC Member commented that a couple groups are not mentioned [in the program evaluation] including the LGBTQ and gender identity Community. Will they be mentioned as well in the future? Anne explained that yes, Keystone First CHC staff are trained annually on health equity and diversity, and Keystone First CHC started collecting gender identity and sexual orientation data this year, and we are constantly seeking opportunities to improve our outreach and information for diversity, equity, and inclusion for all.

## 6. Resources from Community Partners/ Senior Farmer's Market Nutrition Program

Nicole Ragab presented the SFMNP information on behalf of Tierney Belanger, FMNP State Administrator. The SFMNP provides low-income seniors with fresh, nutritious, unprepared, PA grown fruits, vegetables, and fresh cut herbs from approved PA farmers. For 2023 & 2024 program year, seniors will receive \$50 in vouchers coming in 5 \$10 checks. To qualify, you must be over 60 years old by end of 2023 and meet federal income guideline. To apply, seniors should contact your local [county aging office](#).

Contact:

- Tierney Belanger – 717-783-5309 or [tiebelanger@pa.gov](mailto:tiebelanger@pa.gov)

**Action items: N/A**

## 7. Health Education & Outreach Activities/Healthy Food Choices

Cindy Ceil and Brian Petkoff from Mom's Meals presented "Making Good Nutrition Accessible"

Accessible nutrition includes the following:

- The ability to locate nourishing foods nearby
- The ability to purchase nourishing foods
- The ability to prepare nourishing foods
- The ability to consume nourishing foods

**Action Items: N/A**

## 8. Health Education & Outreach Activities/Beat the Heat

Ally Hindman presented information published by the Center for Disease Control (CDC) on ways to avoid, spot, and treat heat exhaustion.

**Avoid:** When the temperature is very high stay indoors. If you must go outside, dress properly and take breaks often. Know who is at high risk for heat stroke and heat exhaustion. Beat the heat by drinking plenty of water. checking on friends, neighbors, finding air-conditioned place, does not leave kids, or pets in a closed parked vehicle

**Spot:** Know the signs of heat stroke and heat exhaustion

- Heat stroke – high body temp, red, hot dry skin, headache, dizziness
- Heat Exhaustion - heavy sweating, muscle cramps, dizziness, headache

**Treat:** While waiting for medical attention, you can help someone with heat stroke or heat exhaustion. Move them to a shady area or indoors. Cool the body by fanning, sponging with cool water, etc.
